

FAQs

When is the next series of Big Brother on air?

Big Brother will return to your screens in Autumn 2024.

How old do I have to be to apply for the show?

You need to be 18 years or over at the time of applying.

Can I apply to be on the show if I live outside the UK?

Applicants must have the right to reside or lawfully reside in the United Kingdom of Great Britain and Northern Ireland, the Channel Islands or the Isle of Man (“UK”). Should your application be taken further, you will be required to provide proof of your right to reside in or lawful residence of the UK.

I applied for a previous series, can I apply again?

Yes! You are welcome to apply again.

What kind of video should I make?

Send us a dedicated Big Brother application video. We want you to tell us what it is about you that would make the perfect Housemate, so please **do not** upload any TikTok or other social media videos or videos that are not related to your application, such as a clip of you on a night out.

You’ve only got **one minute** to show us who you are and what you are about – so make it count.

Please note there should be no background music.

A few tips for making your video:-

Show off your personality and humour! You can do this by telling us why you would make a great Housemate for this series, tell us a funny story that describes who you are or tell us what you are like to live with.

Do not upload a video that is not a dedicated application video for Big Brother.

Keep the video to approximately one minute long.

Hold the camera steady – use both hands if possible.

Ideally the camera should be landscape not portrait.

Try not to film in front of a window (find your light or we won’t see you!)

Be as creative as you like – but please NO filters, jump cuts or background music!

If you are having any difficulties in submitting your video:

Please make sure the video is no larger than 250MB in size.

Please make sure the video is one of the acceptable formats, including AVI, WMV, MP4; MKV, M4V, FLV, MOV, MPG or MPEG.

If you continue to experience problems, please try an alternative browser on the same device, or use a different device (laptop, tablet or mobile) to complete your application.

What happens after I've submitted my application?

We'll look at the application and if we think you've got Housemate potential, we'll be in touch.

So will I be a Housemate?

There's no guarantee that by submitting an application, receiving a telephone or video call or attending an audition you'll be invited to take part in Big Brother.

Can I recommend a friend?

If you know someone who would make a great Big Brother Housemate, please share the website details and encourage them to fill out an application. Everyone has to complete their own application form.

Will I be invited to attend an audition?

If you make it to the face-to-face audition stage, you will be invited to meet the Big Brother producers at an audition venue.

Will I hear from you?

Due to the anticipated high volume of applications, we cannot guarantee you will hear from us and unsuccessful applicants will not be contacted. If you haven't heard from us by August 2024, assume your application has not been successful.
